

## INTERNSHIP

Omikron Gallery offers full-time and/or part-time internships. The programme provides graduate students and beginning professionals with practical work experience and in-depth training in the gallery profession. The post involves helping with the preparation of upcoming exhibitions and requires a demonstrable interest in the contemporary art field, in art management and/or art history. The internship offers successful candidates the opportunity to spend a three-month period working and gaining insight into all functions of Omikron Gallery, and an overall understanding of the gallery's role within the Cypriot contemporary art world. The role is unpaid. Applicants will be invited to attend an interview.
